**COMPLAINT**

Upon consideration of the allegations set forth in this Complaint, the Complainant herein, the Investigative Committee of the Alabama State Board of Social Worker Examiners, (the “Board”), submits there is sufficient merit in such allegations to warrant the filing of this formal Complaint and alleges as follows:

**I.**

Respondent Erin DeGostin heretofore had been duly issued a license to practice as a social worker by the Board and, at all times relevant to this Complaint, was licensed to practice as a social worker in Alabama under a license.

**II.**

Since the issuance of such license, Respondent Erin DeGostin has committed acts in violation of the code of ethics and/or the administrative code provisions governing the practice of social work in the State of Alabama, to wit:

1. In the summer of 2008, Erin DeGostin entered into a Consent Order with the Arkansas Social Work Licensing Board. The initial charges were being under the influence of drugs while performing social work services. In the Consent Order, the requirements placed on Ms. DeGostin included attending weekly supervision sessions with a LCSW and submitting for random drug testing.

2. In November 2008, Erin DeGostin failed to respond to a request from the Arkansas Social Work Licensing Board regarding a random drug test.
3. On December 4, 2008, the Arkansas Social Work Licensing Board received a letter from the LCSW responsible for supervision of Erin DeGostin stating that Ms. DeGostin failed to participate in supervision scheduled on December 1, 2008 or contact the LCSW about her failure to attend this session.
4. On February 10, 2009, the Arkansas Social Work Licensing Board revoked Erin DeGostin license to practice in Arkansas.

### **COUNT**

Allegations contained in paragraphs in this Complaint constitute a violation of the Alabama State Board of Social Worker Examiner's Administrative Code, Section 850-X-10-.01 (2)(o), which prohibits a social worker from being addicted or habitual to any chemical substance that impairs the ability to practice competently and Section 850-X-10-.01 (2)(r) being disciplined in another jurisdiction based on grounds that are the same or substantially the same as those which exist under the Rules [Alabama Board of Social Work Examiners].

WHEREFORE, these PREMISES CONSIDERED, the Complainant, the Investigative Committee of the Board, submits that Probable Cause exists to file this formal Complaint which requires an Answer by the Respondent. The Respondent has twenty days to respond in writing to this Complaint.
